MATT LIDDLE

- Cheltenham Town Women FC's Commercial Manager standing in for the Chairman this afternoon

On paper, this FA Women's National League match against Billericay Town looks set to be a close contest.

A quick glance at the table will tell you all you need to know about the importance of today's game, with just a single point separating these two sides in the Southern Premier Division, and Plymouth, at the top of the relegation zone, close behind.

The result may have gone against us in a 2-1 defeat last Sunday, but the girls performed admirably throughout and could easily have come away with more against a strong Oxford United team.

It was a similar story back in September when we travelled to Billericay to face today's opponents. Another strong showing saw Cheltenham have the better of the game, but we travelled home empty-handed after a 2-1 loss – we aim to put that right today.

We are delighted to have the Sabres and the Lynx's from Southside Star FC with us as mascots this afternoon. Everyone at the Club wishes you a great day with us, so have tons of fun, make some noise and get behind the Robinesses!

After the dust has settled this afternoon, it's a short turnaround ahead of another huge match – a Wednesday night trip to our Welsh neighbours Gwalia (7:45pm KO), who sit directly above us in the table.

These fixtures are always a good contest, and it would be fantastic to see a strong Cheltenham contingent in Newport cheering us on for that one.

On the subject of travels, I'd also like to wish our opponents and their supporters safe travels on their long and unenviable journey home to Essex.

Enjoy the game this afternoon.

- The Robynesses Manager looks ahead to today's game...

Good afternoon, and welcome to Kayte Lane for today's game against Billericay Town.

Looking back at last week's game against Oxford United, it was a frustrating result but one that doesn't define our performance. Despite the 2-1 defeat, the team played with intensity and discipline throughout. We defended resolutely and looked aggressive driving forward with the ball and were ultimately unlucky not to come away with something. While the result didn't go our way, there were plenty of positives to take, and we'll use that as fuel moving forward.

Turning to today's fixture, I extend a warm welcome to our visitors – the players, staff, and supporters of Billericay Town Women. We're expecting a competitive and hard-fought

contest this afternoon, and we're looking forward to the challenge.

Today's game is an important one, with the league table as tight as it is. We know how competitive this division is, and every point matters. That said, we go into this match with confidence, knowing that our performances in recent weeks have been strong. The belief, work rate, and quality within this group continue to shine through, and if we maintain our standards, we'll put ourselves in a strong position to get the result we want.

Let's give everything, push forward together, and take another step in our journey.

Enjoy the match,

Tom
